

Family Emergency Note

This is to certify that John Doe was unable to fulfill their responsibilities on June 28, 2025 due to the following reason:

"Good morning, I apologize for the late notice, but a prior family commitment has unexpectedly arisen. My son's football game has been rescheduled for this afternoon, and I need to be present. I will catch up on all missed work as soon as possible."

This note serves as supporting documentation for their absence.
