

# Excuse Document

Excuse Document

To Whom It May Concern,

This letter serves as an explanation for my absence from the general obligation meeting on June 28, 2025. I experienced significant unforeseen traffic delays due to a road accident, resulting in a late arrival.

I understand the importance of the meeting and have already reviewed relevant materials and completed urgent tasks. I apologize for any inconvenience my tardiness may have caused.

Sincerely,

John Doe

Signed: Dr. AI Generator | Date: June 28, 2025
